To support Plastic Free July

## Local collections to local processors

Around **60% of the population** will be able to drop off soft plastic **within 20km** of their home or work

All soft plastics are processed locally by **NZ processors**

Current focus is on North Island until we have South Island processors

ALMOST  
**60%**  
OF NZ'S  
POPULATION

Join the Soft Plastic Recycling Scheme to be part of the solution. Visit [recycling.kiwi.nz](https://recycling.kiwi.nz).
